AASD 2014

**Arabic Association For The Study
of Diabetes & Metabolism (AASD)**
Member of International Diabetes Federation, IDF

**AASD as one of
the leading Diabetes Associations aims to share in:**

1. Public awareness and Patient education with the aim of prevention and Optimum management.
2. Medical conferences intending to share knowledge and stimulate research.
3. Post graduate continuous medical education (AASD-CME)
4. Newsletters for health care professionals that intend to increase knowledge about the standards of medical care in diabetes and associated co-morbidities and complications.
5. Diabetes prevention campaigns
